

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v William Daniel Burns**
Docket No. **268727**
L.C. No. **98-007881-FH**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),
orders:

The application for leave to appeal is DISMISSED for lack of jurisdiction because the defendant cannot appeal the denial or rejection of a successive motion for relief from judgment. See MCR 6.501(G)(1). The only issue raised by defendant that even alleges newly discovered evidence does not satisfy the four-prong test for newly discovered evidence. The other four issues don't even allege newly discovered evidence or a retroactive change in the law.
